Step 1 - Dixie ID
- Already have your Dixie ID number and password? Great! move on to step 2
- Still need a Dixie ID number?
  - Make sure your $35 registration fee is paid to Admissions
  - Admissions is the only office that can issue you a Dixie ID number. If you do not have access to you Dixie ID call: (435)652-7708 or (435)879-4777
- Still need a Password?
  - Go to https://changepassword.dixie.edu or call the Help Desk: (435)879-4357

Step 2- Access to ALEKS
- Go to https://testing.dixie.edu/
- Select the third option down on our menu: ALEKS (math cpt)
- Login with your D number and password
- Pay the one-time $16 access fee to ALEKS.

Step 3- Practice
- Now that you have access to your ALEKS account, you can login and start practicing
  The practice tests and modules are optional; however, we recommend using them because it is included in your subscription fee and it can help to improve your placement score

Step 4- Appointment
- When you are ready to take your proctored test and receive your official results, call: (435)652-7667 to set up your appointment
- Appointments are scheduled for 2 hours, so we will schedule you for at least 2 hours before we close
- The proctored test will cost $10 which can be paid upon arrival with a credit card, debit card, or electronic check

Test Information
- 30 questions
- 2 hours
- Onscreen calculator only
- $16 one-time access fee
  - This gives you access to 5 attempts at the test, which can be either unproctored (practice) or proctored (official)
- $10 proctor fee each time an official test is taken at the DSU test center (this will also give you an official score report)
